Annual Production Sale
January 16, 2021

At the Ranch | LUNCH 11 AM-1 PM | SALE 1:00 PM MST

SELLING: 100 YEARLING BULLS

It is our pleasure to invite all our friends, neighbors and customers to our winter gathering to look at this years offering of bulls and to share a steak and some beans. This has been a different year in many respects, but I am going to call it a "good" year. This year's bull sale will go on the same as previous years even though we sold the majority of the cow herd. Next year will be different in that I will have a smaller percentage of the bulls in next year's sale.

I want to thank everyone who attended or participated in our female sale and helped make it successful. It was very gratifying to look down the buyers list with so many familiar names.

At our bull sale this January, we will have a drawing for a bred heifer for the adults and a heifer calf for the juniors. Participants must be present for the drawing which will be held at the conclusion of the bull sale. Be sure to register for the drawing!

We appreciate you as friends and customers and look forward to seeing you at the bull sale on January 16th. Stay safe!

Hugh & Eleanor

9 am – 1 pm: Coffee and viewing the bulls
11 am – 1 pm: Lunch
1 pm: Sale begins

Welcome everyone to our annual bull sale! Although 2020 was an odd year at best we are encouraged to see the optimism in the markets and renewed hope in the cattle industry. We here at Turtle Creek Angus are excited about the new year and the new opportunities that this year has in store! We are proud to have you evaluate this year's set of bulls and feel like they would fit almost any operation. As always, our main focus is the cow in our program, she has to go out and perform to a high standard with minimal added input and we want her to look good doing it. In a world where dollars and cents mean more all the time, we want you our customers to be confident that the genetics we offer will compliment your program and help keep your herds going in the right direction. The bulls have been developed on a high roughage ration to help ensure soundness and longevity & as always will be accompanied with the first breeding season guarantee. Stop by anytime or call with any questions you may have, and thank you to all of our valued customers past, present and future! We are always excited for the chance to visit with you and look forward to seeing you on Sale Day!
